

My address has changed! Whom should I inform?

I received a certificate of residence from the municipality, which I can photocopy. Or, I connect with my Luxtrust-Product on MyGuichet.lu, and I generate my certificate of residence myself.

I notify my change of address to (non-exhaustive list):

- my employer or ADEM
- my embassy or consulate, if I am a foreigner
- the day care center and the Maison Relais where my children are registered
- the primary school, the high school, the university where my children are enrolled
- the Caisse Médico-Complémentaire CMCM and my death benefit insurance
- my insurance company
- my financial institutions (banks)
- my energy suppliers (electricity, gas, ...)
- my suppliers (landline telephone, GSM, internet, email, ...)
- the suppliers of whom I am a customer, also online commerce
- the stores where I have a customer card
- my newspaper and magazine subscriptions
- the associations where I am a member (ACL, sports clubs, union, other clubs)
- my relatives and friends
- I get my new address entered in the registration document (grey and yellow cards) of my car (SNCT or local population office of the town)
